### About Looking: John Berger: Bloomsbury Paperbacks

Berger describes how a sixteenth-century masterpiece he saw in the 1960s comes to look different to him a decade later. He discusses how a forest looks to a woodcutter; how fields look to a peasant; how the world looks to a nineteenth-century barber's son; how New York looked to immigrants; and how each of these perspectives was reflected in the struggles of a particular painter.

### About looking (1980 edition) | Open Library

John Berger's ABOUT LOOKING is a smart, impassioned, eloquent, and illuminating collection of essays. Highlights for me: the essay "Why Look at Animals," (a reread); the section on photography; and the essays on Francis Bacon, Giacometti, and Rodin.
