Cibse Lg6 Lighting Guide
LG06/16 Lighting Guide 06: The Exterior Environment - LG6. Since the last edition of this guide, in 1992, there has been a surge of interest in lighting the exterior environment - in particular, light pollution, energy use and long-term sustainability have become more pertinent than ever. In the 1990s, LEDs that could produce a functional amount of light were simply not available.
