Complete Yoga Book

As a newby to yoga one can get lost in the large array of yoga books available. The complete yoga book is just that "complete". From someone who started out with little knowledge of this art i found the book very easy to read, very informative and very easy to employ the techniques.

But this is a scholarly,
dispassionately
written, and, as the
title suggests,
complete book about
the wild and wonderful
world of yoga. James
Hewitt does a
marvelous job of
