income tax system are derived from the concept? What might the tax system be like without this concept? The ability-to-pay concept states that the tax paid should be related to the amount that the taxpayer has to pay the tax. This concept is implemented by using taxable income (income net of deductions) as the tax base for figuring the tax.

CHAPTER 2 Income Tax Concepts⁴⁷ The federal income tax is based on a system of rules and regulations that determine the treatment of various items of income and expense. The key point to be made is that federal income taxation is based on a system. As such, it shares the characteristics of any type of system.
