Art museums have been around since the beginning of man. You could argue that the early cave paintings of ancient man were the first museums. They tell us that from the very start, man has always desired to tell a story about what life was like for him; to expose his deepest feelings; and to leave a record of his existence and his contributions to his culture and community.

The San Francisco Museum of Modern Art. Founded in 1935, SFMOMA was the first modern art museum on the West Coast, and it still holds a notable place in the country's art scene. It started out with a bang: in the first decade of its existence, it had already shown works by Diego Rivera and Henri Matisse, and granted Jackson Pollock his first solo exhibition.
