Great TV viewing is in your hands!

I'm having the delay problem when changing channels on all of my HD and HD DVR TV receivers since the new software changes. Every time I click the channel arrow, I get a black screen and have to wait and wait. And every few days I get that stupid HD message that I don't have an HD component although HD worked just fine before the new software.

TV is stuck in guide mode | AT&T Community Forums
