Certification in Thanatology - Association for Death ...

Death is a part of natural life; however, society is notorious for being uncomfortable with death and dying as a topic on the whole. Many caregivers experience a level of burden from their duties during end-of-life care. This burden is multi-faceted and may include performing medical tasks, communicating with providers, decision-making and possibly anticipating the grief of impending loss.

Death and Dying - StatPearls - NCBI Bookshelf

Coping with the loss of a close friend or family member may be one of the hardest challenges that many of us face. When we lose a spouse, sibling or parent our grief can be particularly intense. Loss is understood as a natural part of life, but we can still be overcome by shock and confusion, leading to prolonged periods of sadness or depression.
