EC411 Microeconomics * FM436 Financial Economics FM437 Financial Econometrics Now which course is best depends on your preferences. However for front office IB positions I would argue that the MSc in Finance and the MSc in Finance and Economics have a comparative advantage, since they teach more quantitative subjects which IB's usually favor.

MSc Finance vs. MSc Accounting & Finance - The Student Room

Plenty of past students who have taken EC411 Microeconomics gained admission to excellent PhD programmes. I've outlined below what you need to have already studied in order to be considered for entry to the course: In addition to a solid background in multivariate calculus and linear algebra, students
