For Space Doreen Massey

"The reason for my enthusiasm for this book is that Doreen Massey manages to describe a certain way of perceiving movement in space which I have been - and still am - working with on different levels in my work: i.e. the idea that space is not something static and neutral, a frozen entity, but is something intertwined with time and thus ever changing - also when we are not occupying it.

...

Doreen Massey, the geographer of space and power, died on March 11 at age 72. "A lot of what I've been trying to do over the all too many years when I've been writing about space," The Geographer of Space and Power: Doreen Massey, 1944-2016 -

The Geographer of Space and Power: Doreen Massey, 1944-2016

Massey begins by saying that she's been thinking about space for a long time, but in an indirect way, "through some other kind of engagement," including "the politics of space" and "[t]he battles over globalisation," "the engagements with 'nature' as I walk the hills," and "the complexities of cities" (1)—all themes she returns to later in For Space.

for space

Doreen Massey. Politics and Space/Time 'Space' is very much on the agenda these days. On the one hand, from a wide variety of sources come proclamations of the significance of the spatial in these times: 'It is space not time that hides consequences from us' (Berger); 'The difference that space makes' (Sayer); 'That new spatiality ...

Doreen Massey, Politics and Space/Time, NLR I/196 ...

David Edmonds: Doreen Massey has made her reputation by studying space, not outer space, space here on planet Earth. Professor Massey is a geographer who wants us to rethink many of our assumptions about space, including the assumption that it is simply something we pass through.

For Space Doreen Massey - mail.trempealeau.net

In this book, Doreen Massey makes an impassioned argument for revitalising our imagination of space. She takes on some well-established assumptions from philosophy, and some familiar ways of characterising the 21st century world, and shows how they restrain our understanding of both the challenge and the potential of space.

For Space | SAGE Publications Ltd

16 Doreen Massey's particular approach to space and place leads her to confer upon place a set of distinctive, defining dimensions. She further associates each of these defining dimensions with implications regarding the relations that individuals or collectives have with places and their possibilities for place-based action.
