Arun Muralidhar, Managing Director Innovations in Pension ...

The real innovation in recent years has been in relation to liability management. For example, giving members the option to exchange increasing pension for a higher fixed-rate pension (a Pension Increase Exchange, or PIE), or helping them through the provision of independent financial advice to transfer out to an insured pension that might better suits their needs (a Retirement Transfer Option, or RTO).

Innovation and technology in defined benefit pensions ...

The role of social partners, pension funds, insurers and administrators In the second pillar, the social partners – both employers and employees – organise a pension for an institute, a corporation or sector. The pension scheme is allocated to a corporate pension fund, a sector pension fund, PPI, APF or an insurance company.
