Examples of Interpersonal Skills. Communication skills involve both listening and speaking effectively. Assertiveness skills involve expressing yourself and your rights without violating others' rights. Conflict is natural and inevitable. Conflict resolution skills help you resolve differences so that you may continue a relationship effectively.

Interpersonal Skills | Counseling Center

Letting the other person speak means that you should try to be comfortable with silences, but not for more than a few seconds. Altercentrism, or focus on the other person in conversation, makes a communicator seem more competent. For example, pay attention to how much you are speaking in a conversation.
