Christian ethics applied to economics and business has a long tradition. This dates back at least to the thirteenth century, with noteworthy developments in the four following centuries and again in the last century. Christian faith and reason intertwine to bring about principles, criteria, and guidelines for action and a set of virtues with relevance for economic activity.

### Christian Ethics and Spirituality in Leading Business ...

Article excerpt. ABSTRACT. This paper examines the growing emphasis that colleges and business firms are placing on business ethics, as well as how business ethics inform the lives of those in business. Current views and legislation have only enhanced the significance of ethics codes, making them a crucial part of the corporate landscape.
