Landscape Architecture In India A

Which was ironical really, considering that landscape architecture is specialization acquired after completing the professional architecture degree. The situation today is quite different, one has only to look around to become aware of the relative proliferation of landscape architecture, certainly in Delhi and many other metropolitan cities.

Landscape Architecture in India | INDIAN SOCIETY OF ...

The Journal of Landscape Architecture (LA) is the only periodical landscape architectural publication of its kind in India. Geeta Wahi Dua and Brijender S. Dua founded the journal in 2002 and have since turned it into a publication that also attracts the attention of architects. Together with Mohammad Shaheer and Adit Pal, Geeta Wahi Dua has now edited this basic reader Landscape Architecture in India, that so far has been as successful with architects as with landscape architects.

Landscape Architecture in India: Topos

Professional landscaping anchors a house to the site, connects it with the environment and creates a welcoming entrance to a home. A India landscape architect or designer works with living plants as well as building materials to design for future growth and maintenance as well as the present visual appeal.
