Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.

Our biggest evolutionary step, at this time, both personally and collectively, is to transcend victim-tyrant consciousness. It is subtle, familiar and seductive, and therefore, like the fish in water, we usually don't even realize we are immersed in it. Based in fear, blame and shame, it blocks our ability to live fully in the heart.
