The Oath Forger series has been such a great read, I can't believe it's already over. I fell in love with the series from the first book and can't help but wish it would continue! Book 5 was the perfect ending, and even though it resolved everything and gave a satisfying ending for Ava and her Kreks, I still want more!

Very interesting start to the series. The concept of different galaxies is intriguing as is the history of the Kreks and the Oath Forger. This was not a long read, quite short actually - I between a serial and standard novel - so hopefully there is more character development for the Kreks in the next book.

I received a free copy of Oath Forger by Nia Mars in exchange for an honest review. First, I did not notice that this was a reverse-harem novel when I picked it up; I absurdly actually thought it was a YA novel. I was shocked at how much foreplay was in the book. Thankfully, the story ends before the parties actually hook up.
