Party Politics And Democratization In

Political parties in the United States are dominated by two major parties. Since the 1850s, they have been the Democratic Party and the Republican Party. This two-party system is based on laws, party rules and custom. Various small minor parties come and go and occasionally win minor offices at the state and local level.

Political parties in the United States - Wikipedia

Democratization, process through which a political regime becomes democratic. The explosive spread of democracy around the world beginning in the mid-20th century radically transformed the international political landscape from one in which democracies were the exception to one in which they were the rule.

democratization | Definition, Theories, & Facts | Britannica

The Democratic Party is the oldest political party in the United States and among the oldest political parties in the world. It traces its roots to 1792, when followers of Thomas Jefferson adopted the name Republican to emphasize their anti-monarchical views.
