General Notes. The Middle Ages, also known as the Medieval period, is the period of European history from the fall of the Roman Empire until the beginnings of the Renaissance or the Protestant Reformation. Historians have suggested different dates for its beginning and end. The beginning is most commonly set at the abdication of the last Emperor of the Western Roman Empire in 476 AD, but the ...

The earliest documentation of a spherical Earth comes from the ancient Greeks (5th century BC). Since the 600s AD, scholars have supported that view, and by the Early Middle Ages (700 - 1500 AD), virtually all scholars maintained the spherical viewpoint. Since the 1400s, belief in a flat Earth among educated Europeans was almost nonexistent.
