Planet Law School II: The Best Hard Copy Book on Law School Success You Can Buy. As I mention elsewhere, Planet Law School II (affiliate link) is the gold standard for a law school book to buy other than your case books. I would still buy a number of other books as well, but if someone pointed a gun to my head and allowed me to buy only one book, this would be it.

Planet Law School II ()

Planet law school is a very informative book about law school especially about some of the unpleasant and harsh realities of law school. I'm glad I read it as a OL. I would recommend it for anyone who has had little to no exposure to law school and is going through the whole applying to law school/going to law school process.

Planet Law School by Atticus Falcon - Goodreads

Planet Law School II (2003) "Virtually all of 'higher' education in America (other than the sciences) 'sold out' a long time ago. ... People don't go to college or beyond to get an education. They go to get a job credential, a union card for a particular line of work.

Planet Law School and the Culture of Fear. If you believe that everyone is out to get you and that there is a vast law school conspiracy and that the Washington Post is part of it too, then you will be right at home on Planet Law School. This book makes great comedy except for the fact it preys on depressed 1L law students who follow the advice and from what we can see make all kinds of enemies ...

Planet Law School praises Delaney a lot, and while I think Delaney's book would rank third behind LEEWS and GTM, it is still a quick, easy, and informative read. LEEWS and GTM's strategies might not click for some people, and you might find that some of the techniques in Delaney's book suit you well.

How to Succeed in Law School - Student Guide #1

Planet Law School II actually gives a study schedule for as long as a year, and as short as 6 weeks before school starts. Law School Confidential also gives very practical advice about things you can do before school starts.

Law School Prep

The worst thing I took from Planet Law School into my 1L year was a sense of pessimism. He constructs this friendless atmosphere filled with shady n'er-do-wells out to ruin your life. This is simply not the case. Law students are still people. Albeit stressed and overworked people, but still just people.
