## **Postmodernism - Wikipedia**

That postmodernism is indefinable is a truism. However, it can be described as a set of critical, strategic and rhetorical practices employing concepts such as difference, repetition, the trace, the simulacrum, and hyperreality to destabilize other concepts such as presence, identity, historical progress, epistemic certainty, and the univocity of meaning.

## **Postmodernism (Stanford Encyclopedia of Philosophy)**

The postmodernism refers to the confused state of cultural developments that came into existence after modernism. As a matter of fact, the period after 1960s is generally considered postmodern in nature. To be precise, postmodernism is construed as begun after 1968. There is a strong belief that modernism paved the way for postmodernism.
