...

It may sound (and, indeed, is) obvious, but preparation starts with the moot problem. You must read the problem carefully and thoroughly, preferably several times. A moot is an appeal on a point of law: you therefore need to establish the facts in your mind, clarify what law was applied, and determine the question of law being argued.

## **HOW TO MOOT: PREPARATION AND PERFORMANCE**

Research extensively. When you have chosen a particular area of law and thereafter decided to participate in a moot court competition, the entire team is advised to research extensively on each and every point, law, issue involved in the moot proposition. For this you must also divide the workload of research.
