Hindu law, as a historical term, refers to the code of laws applied to Hindus, Buddhists, Jains and Sikhs in British India. Hindu law, in modern scholarship, also refers to the legal theory, jurisprudence and philosophical reflections on the nature of law discovered in ancient and medieval era Indian texts. It is one of the oldest known jurisprudence theories in the world. Hindu tradition, in its surviving ancient texts, does not universally express the law in the canonical sense of ius or of le
