Remembering Apple CEO Steve Jobs as a “Transformational ...

Steve was a technology genius for a lot of people, but he was human and that was the most awesome thing about him. Some years ago I saw his speech in Stanford University, and I realize that we just have one way to get whatever we want... just dream and follow our heart...He made me realize about it, and that is why today I'm writing to you.... I would love to meet him, but it was not possible, but I'm happy just thinking that he was in this world to teach us this...
