Back. Virtues in Practice is a program for children in grades pre-kindergarten through eight to grow closer to Jesus by imitating His life and virtues. It is set up in such a way that a whole school studies the same virtue each month, to provide a whole-school (and at home, whole-family) focus. The program covers 27 virtues over a three-year cycle, with 81 saints held up as models

Medical virtue ethicists commonly advance three reasons as to why virtue ethics provides a more realistic, practice-focussed way to understand good medical practice than rule-based approaches. A first reason is that rules or principles by themselves are too abstract and general to guide moral action (Pellegrino and Thomasma 1993 , p. 19).
