What sets The Man Within apart from other books on Winston Churchill is not just the never-seen-before photography, but the perspective on his adoration for his mother, and devotion to his wife. While this is a book first and foremost about the celebrated and enduringly intriguing Churchill -- the statesman and international leader -- it is also, in his own words, a portrait of Churchill, the husband, and son.

Drawing on new primary sources, this biography is the first to detail the influence of British history, literature, and culture -- in particular, the ideas of Winston Churchill -- on America's 35th president. For the first time we trace the friendships and forces that led to the White House and shaped Kennedy's actions there.
